Final Test Aug 14 2022 The deafening noise in the Wankhede turns to silence so complete that you'd swear you can hear Tendulkar's footsteps as he begins the walk back to the pavilion. It's the end of an era, they said. No more switching off televisions when he got out; no more resounding chants of "Sa-chi-i-i-n, Sa-chin!" In November 2013, Sachin Tendulkar played his final Test. Dilip D'Souza builds on close and detailed observation of those two and a half days, capturing all the hysteria it spawned, the love and adulation that showered from the rafters at the Wankhede, the choking emotion, and yes, there was a match on too, against the West Indies. Final Test discusses cricket from the old to the new, as Sachin takes to the pitch one final time.

The Mad, Mad World of Cricket Jan 07 2022 The Funny Side Of The Gentleman S Game Captured By A Master Cartoonist In India Cricket Is More Than A Game; It Is A National Obsession. And With A World Cup Always Around The Corner, There Is No Better Way To Prepare For The Excitement Of Seeing The Men In Blue In Action Than With Renowned Cartoonist Sudhir Dar S Creations. Dar Shows In His Inimitable Style How Cricket Can Change Flight Schedules, Disrupt Board Meetings, Encourage Spirituality, Promote The Sale Of Effigies, And Cause General Disharmony

In The Household. He Explains What Actually Goes On In A Huddle ; What Telescopic Lenses On The Boundary Line Are Really Used For; Why Duck Is Not A Preferred Item On The Menu During The World Cup; Why Barbers Across The Nation Are Cursing Dhoni; And How A Group Of Countries Collectively Known As The West Indies Is Likely To Destabilize India. He Also Reveals The Cheerleading Mantra That Might Work When India Plays Australia: May The Better Side Lose. For Several Decades, Sudhir Dar Has Tickled Our Funny Bone With His Wit. The Mad, Mad World Of Cricket Contains His Best And Funniest Work On Cricket.

Cricket 2.0 Dec 06 2021 Why is Royal Challengers Bangalore one of the worst-performing teams in the Indian Premier League (IPL), despite having batsman like A.B. de Villiers and Chris Gayle, and being captained by Virat Kohli? On the other hand, why is Chennai Super Kings (CSK) one of the best-performing teams, despite boasting fewer superstars and an ageing M.S. Dhoni as captain? The secret could lie in the teams' captaincy styles. But more importantly, it lies in the way T20 teams plan, strategize and build themselves around a core group, which CSK has done. In Cricket 2.0: Inside the T20 Revolution, Tim Wigmore and Freddie Wilde take us on a whirlwind tour of the cricket format that has taken the world by storm. From its inception, when T20 was accepted by a narrow vote of the Marylebone Cricket Club, to its current global popularity, from its original superstar Chris Gayle to newcomers like Rashid Khan and Sandeep Lamichhane, T20 has become a phenomenon that has resurrected the game of cricket. From the sunny beaches of Trinidad and Tobago, which gave the world a West Indian team feared by its contemporaries, to the raucous stadiums of the IPL, today one of the world's most valuable sport tournaments, from India's original rejection of T20 to ultimately embracing it, signalling a shift in world cricket, Wigmore and Wilde break down how T20 has changed the game entirely, and why it may be the future of cricket.

Reimagining India Dec 26 2020 Reimagining India brings together leading thinkers from around the world to explore the challenges and opportunities faced by one of the most important and least understood nations on earth. India's abundance of life—vibrant, chaotic, and tumultuous—has long been its foremost asset. The nation's rising economy and burgeoning middle class have earned India a place alongside China as one of the world's two indispensable emerging markets. At the same time, India's tech-savvy entrepreneurs and rapidly globalizing firms are upending key sectors of the

world economy. But what is India's true potential? And what can be done to unlock it? McKinsey & Company has pulled in wisdom from many corners—social and cultural as well as economic and political—to launch a feisty debate about the future of Asia's "other superpower." *Reimagining India* features an all-star cast of contributors, including CNN's Fareed Zakaria; Mukesh Ambani, CEO of India's largest private conglomerate; Microsoft founder Bill Gates; Google chairman Eric Schmidt; Harvard Business School dean Nitin Nohria; award-winning authors Suketu Mehta (*Maximum City*), Edward Luce (*In Spite of the Gods*), and Patrick French (*India: A Portrait*); Nandan Nilekani, Infosys cofounder and chairman of the Unique Identification Authority of India; and a host of other leading executives, entrepreneurs, economists, foreign policy experts, journalists, historians, and cultural luminaries. These essays explore topics like the strengths and weaknesses of India's political system, growth prospects for India's economy, the competitiveness of Indian firms, India's rising international profile, and the rapid evolution of India's culture. Over the next decade India has the opportunity to show the rest of the developing world how open, democratic societies can achieve high growth and shared prosperity. Contributors offer creative strategies for seizing that opportunity. But they also offer a frank assessment of the risks that India's social and political fractures will instead thwart progress, condemning hundreds of millions of people to enduring poverty. *Reimagining India* is a critical resource for readers seeking to understand how this vast and vital nation is changing—and how it promises to change the world around us.

The Winning Way 2.0 Dec 18 2022 What makes a sports champion? What makes winning teams? Why do only some teams keep winning while others win only for a while and then lose?" In *The Winning Way 2.0*, Harsha Bhogle and Anita Bhogle share the key elements that make a winning team. Answering key questions on management and strategy, the authors highlight some important points to remember, making them easier to interpret and understand by comparing them to certain aspects of cricket. This book is a contemporary, refreshing approach to leadership. It aims to change the way people look at the goals in their lives and sets out ways to achieve them.

A Century Is Not Enough Sep 22 2020 A sporting classic and a manual for living Sourav Ganguly life has been full of highs and lows. Arguably India's greatest cricket captain, he gave confidence to the team, reenergized them

and took India, for the first time, to spectacular overseas victories. But Ganguly's story also came with great challenges from his early days where he had to wait four long years before being included in the team to the ugly battle with the Australian coach Greg Chappell. He fought his way out of every corner and climbed back up from every defeat, becoming India's ultimate comeback king. What does it take to perform when the pressure is sky-high? How do you fight back and win? How do you make a name for yourself when you are young and have started the journey which is closest to your heart? As Sourav takes you through his life, he looks at how to overcome challenges and come out a winner. Time and time again.

The Barefoot Coach Feb 08 2022

OphthoBook Oct 12 2019 OphthoBook is the printed version of the amazing OphthoBook.com online book and video series. The combination of this text, along with the online video lectures, creates the most informative and easy-to-understand ophthalmology review ever written. It is geared toward medical students, optometry students, and non-ophthalmologists who want to learn more about the eye without getting bogged down with mindless detail. The book is broken down into ten chapters: 1. Eye History 2. Anatomy 3. Glaucoma 4. Retina 5. Infection 6. Neuroophthalmology 7. Pediatric Ophthalmology 8. Trauma 9. Optics 10. Lens and Cataract Each chapter also includes "pimp questions" you might be asked in a clinic. Also, an entire chapter of ophthalmology board-review questions, flashcards, and eye abbreviations. Perhaps most useful, each chapter corresponds to the 20-minute video lectures viewable at OphthoBook.com. And lots of fun cartoons!

Border and Rule May 31 2021 In *Border and Rule*, one of North America's foremost thinkers and immigrant rights organizers delivers an unflinching examination of migration as a pillar of global governance and gendered racial class formation. Harsha Walia disrupts easy explanations for the migrant and refugee crises, instead showing them to be the inevitable outcomes of the conquest, capitalist globalization, and climate change that are generating mass dispossession worldwide. *Border and Rule* explores a number of seemingly disparate global geographies with shared logics of border rule that displace, immobilize, criminalize, exploit, and expel migrants and refugees. With her keen ability to connect the dots, Walia demonstrates how borders divide the international working class and consolidate imperial, capitalist, and racist nationalist rule. Ambitious in

scope and internationalist in orientation, *Border and Rule* breaks through American exceptionalist and liberal responses to the migration crisis and cogently maps the lucrative connections between state violence, capitalism, and right-wing nationalism around the world. Illuminating the brutal mechanics of state formation, Walia exposes US border policy as a product of violent territorial expansion, settler-colonialism, enslavement, and gendered racial ideology. Further, she compellingly details how Fortress Europe and White Australia are using immigration diplomacy and externalized borders to maintain a colonial present, how temporary labor migration in the Arab Gulf states and Canada is central to citizenship regulation and labor control, and how racial violence is escalating deadly nationalism in the US, Israel, India, the Philippines, Brazil, and across Europe, while producing a disaster of statelessness for millions elsewhere. A must-read in these difficult times of war, inequality, climate change, and global health crisis, *Border and Rule* is a clarion call for revolution. The book includes a foreword from renowned scholar Robin D. G. Kelley and an afterword from acclaimed activist-academic Nick Estes.

THE PAPER TURNS Apr 10 2022 This story is about a woman named Anupama and her life, her emotions her love and her loss She got married at the age of 19, though she doesn't have faith in a happy marriage surprisingly she got Sahel as her husband the love and care of him made Anupama realize what true love is she enjoys every moment with Sahel and loved a little more each day. Life is not always meant to be happy and perfect right!? Yeah, this is what happened with Anupama to suffer from many problems in her life, but Sahel was with her in every situation... Anupama's life became upside down when news came to her home which was related to Sahel, maybe only a little hope and love made them much stronger.

Playing It My Way Jan 27 2021 The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that

launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

It Takes All Sorts Apr 29 2021 Peter Roebuck meanders through his 25-year career in reporting cricket, to reveal the people and personalities who have touched his life and contributed to his life-long passion for the game.

Democracy's XI Mar 29 2021 Bestselling author and journalist Rajdeep Sardesai narrates the story of post-Independence cricket through the lives of 11 extraordinary Indian cricketers who portray different dimensions of this change; from Dilip Sardesai and Tiger Pataudi in the 1950s to Mahendra Singh Dhoni and Virat Kohli today

The Test of My Life Sep 03 2021 "That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease. I wanted my life to be normal, which it could not be." For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book The test of my life, he reveals how "plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat" he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy "when he lost his energy, his appetite, and his hair" and his battle to find the will to survive. Poignant, personal, and

moving. The test of my life is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

On Hinduism Mar 17 2020 On Hinduism is a penetrating analysis of many of the most crucial and contested issues in Hinduism, from the Vedas to the present day. In a series of 63 connected essays, it discusses Hindu concepts of polytheism, death, gender, art, contemporary puritanism, non-violence, and much more.

A Health and Wellness Handbook Jan 15 2020 Quick! Can you answer the following to save a loved one's life? 1. An older adult is experiencing symptoms similar to cardiac arrest; how will you respond? 2. At a party, a young girl is choking. How will you save her? 3. You are travelling in a metro. A fellow traveller becomes drowsy and complains of weakness in the left side and numbness. Do you know what those symptoms indicate? 4. A drowning person is brought out of water. What is the first thing you will do? 5. You witness an accident on the road. What number will you dial and what will you do first? 6. While working in a garden, your domestic helper gets bitten by a snake. What will you do? If you cannot answer one or more of these questions correctly, then this book is for you! Here is what you will learn from this book: How to wake up early even if you just feel like curling in bed and sleeping for another hour? How to make your boring exercise routines fun and interesting? How to completely stop bingeing on those late-night junk foods? How to stay in shape and healthy without needing to go on a diet? How to look more attractive by just changing your sitting and standing posture? How to save the life of victims from choking, stroke, cardiac arrest, snake bites and many more? Whom to call and what to do during emergencies? List of essential articles you need to keep at home. This is the only book which is based on real-life scenarios voluntarily shared

by people who suffered emergencies and interviews of health experts. The book prepares you for holistic health, health issues and life-threatening medical emergencies. This book enriches you with the knowledge and skills and prepares you to identify a medical emergency. Please scroll up and grab your copy Now

All the Light We Cannot See Jun 12 2022 A cloth bag containing 20 paperback copies of the title that may also include a folder with sign out sheets.

The Nice Guy Who Finished First Feb 25 2021 The Nice Guy who finished first is a remarkable story of Rahul Dravid's illustrious career in international cricket that commenced in 1996 and continues to flourish nine years later. IT tells the tale of a young man who has succeeded in his chosen profession through an ardent faith in the three 'D's of dedication, discipline and determination. The biography reconstructs the incidents and events that have contributed to making Rahul Dravid one of the greatest cricketers to have played the game, and an epitome of grace, humility and commitment to his team's cause. It is a tribute to a role model who has refused to rest on his laurels, and remains an intense in his quest for perfection as he was when he started out. Rahul Dravid's moments of triumph are described, as also his trials and tribulations. The book, narrates the epic battle, one that he eventually won, to break freed of the stereotypes that haunted him in his early years at the international level. His efforts to emerge from the intimidating shadows cast by his teammates and contemporaries are illustrated in great detail. The book highlights the physical, mental and of course, technical attributes that have elevated Rahul to legendary status. In this honest endeavour to recount the story of Rahul Dravid, the author is assisted by reminiscences from his mentors, seniors, teammates and even opponents, all of whom witnessed the making of a cricketing legend from close quarters. Then, there are the photographs, some of the best ever, which showcase, quite literally, the genius of one of India's all-time greats. It is an engaging, absorbing and succinct read.

The Girl on the Train Feb 14 2020 The #1 New York Times Bestseller, USA Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of Into the Water and A Slow Fire Burning. "Nothing is more addicting than The Girl on the Train." Vanity Fair "The Girl on the Train has more fun with unreliable narration than any chiller

since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership. The New York Times "Marries movie noir with novelistic trickery. . . hang on tight. You'll be surprised by what horrors lurk around the bend." USA Today "Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages." The Boston Globe "Gone Girl fans will devour this psychological thriller." People EVERY DAY THE SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

Easier Said Than Done: A Life in Sport Nov 05 2021 Turning adversity on its head he embarked upon a career in broadcasting that began in South Africa with the South African Broadcasting Corporation (SABC), before returning to Cardiff in September 1987 to anchor BBC Wales' portfolio of prime time sports programs. By the mid-1990s Alan had gone freelance and, following the end of apartheid, was reunited with the SABC to cover South Africa's return to world sport with the 1994 cricket tour to England and the 1995 Rugby World Cup. He also began what would become a long association with Singapore-based ESPN Star Sports (ESS) by commentating on the 1996 Indian cricket tour of England. By 1997 Alan had joined the ESS commentary team in India for the One Day International series between India and Sri Lanka where he was part of the commentary team, with Ravi Shastri, Sunil Gavaskar, Navjot Singh Sidhu, Harsha Bhogle and Geoffrey Boycott, otherwise known as A Few Good Men. In February 2000 he re-located to Singapore to work for ESS and for almost 16 years enjoyed broadcasting cricket, golf, rugby, tennis and a host of other sports across the Indian sub-continent. A return home to Wales in 2015 has reignited Alan's love for rugby but as you'll read in *Easier Said Than Done*, his love of sport means the shape or size of the ball is not an issue.

Harsha: a Political Study Jul 13 2022

Beautiful Trouble May 19 2020 Banksy, the Yes Men, Gandhi, Starhawk: the accumulated wisdom of decades of creative protest is now in the hands of the next generation of change-makers, thanks to Beautiful Trouble. Sophisticated enough for veteran activists, accessible enough for newbies, this compact pocket edition of the bestselling Beautiful Trouble is a book that's both handy and inexpensive. Showcasing the synergies between artistic imagination and shrewd political strategy, this generously illustrated volume can easily be slipped into your pocket as you head out to the streets. This is for everyone who longs for a more beautiful, more just, more livable world — and wants to know how to get there. Includes a new introduction by the editors. Contributors include: Celia Alario — Andy Bichlbaum — Nadine Bloch — L. M. Bogad — Mike Bonnano — Andrew Boyd — Kevin Buckland — Doyle Canning — Samantha Corbin — Stephen Duncombe — Simon Enoch — Janice Fine — Lisa Fithian — Arun Gupta — Sarah Jaffe — John Jordan — Stephen Lerner — Zack Malitz — Nancy L. Mancias — Dave Oswald Mitchell — Tracey Mitchell — Mark Read — Patrick Reinsborough — Joshua Kahn Russell — Nathan Schneider — John Sellers — Matthew Skomarovsky — Jonathan Matthew Smucker — Starhawk — Eric Stoner — Harsha Walia

Joy Of A Lifetime Oct 16 2022

Sticks and Stones Oct 04 2021 How does a middle-aged wife, mother, and FBI agent pursue her dream of hiking 2,200 miles from Springer Mountain, Georgia, to Mount Katahdin, Maine? — Sticks Harsha balances her trekking ambitions against the responsibilities of daily life by hiking the Appalachian Trail in sections, one piece at a time. Across a thirteen-year odyssey, Sticks discovers the best of America: the stunning beauty and diversity of nature, the quaintness of small towns, the quirkiness of fellow hikers, and, above all, the generosity of strangers. She also discovers the disorientation of extreme thirst, the unpredictability of feral animals, and the dangers of life-threatening winds across knife-edge precipices in the isolated, mountainous wilds. Follow this brilliantly written saga of one woman's quest to hold onto her dream even as her body ages and her spirit tires, making her question whether she will ever finish her journey. And whether she will truly make it back home.

MANORMANI Apr 17 2020 Not everything has an explanation in terms of science, which needs evidence and tangible experience. Many things are happening around us that lack explanation, and intelligent people often

strike them off as conspiracies. The forests and the less trodden trails hold lots and lots of secrets, which probably could not be deciphered by present knowledge. A thought conceived in my mind took the shape of a story that I made into a book. I wish you an enchanting stroll through the book.

Cardus on Cricket May 11 2022 Included are the imaginative reconstruction of the 1882 England and Australia test match to Cardus's descriptions of village cricket, accounts of the great players that Cardus watched play (from Donald Bradman and Harold Larwood to Wally Hammond) to examples of his 'Shastbury' writings. Chosen and introduced by Sir Rupert Hart-Davis, Cardus on Cricket features a range of writings from 'Cricket', 'Days in the Sun', 'The Summer Game', 'Good Days', 'Australian Summer' and 'The Manchester Guardian'.

The Imperial Maukharis Oct 24 2020 History of the Imperial Maukhari of Kanauj and Harshavardhana is an innovative history of the Maukharis, which, for the first time, brings to light a glory that was overshadowed by Harsha of Thanesar, whose ancestors were their feudatories. Harsha usurped the Maukhari Empire on the pretext of avenging the murder of his brother-in-law Grahavarma Maukhari and his own older brother Rajyavardhana. But obviously, he did nothing to defeat them, especially the murderer of his brother Sasanka, who ruled for more than nineteen years after the incident. It is also interesting to note that Yuan Chwang, the most important source of the history of Harsha's time visited his capital Thanesar, but did not notice anything related to Harsha there. This reflects the authenticity of the Chinese pilgrim. A treatise of facts dovetailed with inscriptive narratives from historic accounts, this book tries to uncover the times and glory of an empire that history books mostly left out of its narrative.

The Phantom Tollbooth Aug 02 2021 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions

(you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

Cricket Drona Jul 01 2021 Cricket Drona takes us through the life of cricketing genius Vasoo Paranjape, who left a defining impact on the game, shaping the careers of some of Indian cricket's greatest figures, from Sunil Gavaskar to Sachin Tendulkar, from Rahul Dravid to Rohit Sharma. This book is a first-hand chronicle of stories, life lessons and game-changing experiences, written in the words of those who were lucky enough to have crossed paths with Paranjape at just the right time in their careers. For generations of cricketers across India, and even for some in other parts of the world, Paranjape has been an inspiration, a mentor, friend and guide. Peel back the layers and get to the core of a life that nurtured and nourished generations of India's best cricketing talent.

The Dhoni Touch Jul 21 2020 For over a decade, Mahendra Singh Dhoni has captivated the world of cricket and over a billion Indians with his incredible ingenuity as captain, wicketkeeper and batsman. Bharat Sundaresan tracks down the cricketer's closest friends in Ranchi and artfully presents the different shades of Dhoni-the Ranchi boy, the fauji, the diplomat, Chennai's beloved Thala, the wicketkeeping Pythagoras-and lays bare the man underneath. He discovers a certain je ne sais quoi about the man who has a magical ability to transform and elevate everything which comes into his orbit-the Dhoni Touch. Funny, candid, and peppered with delicious anecdotes, The Dhoni Touch reveals an ordinary man living an extraordinary life.

The Art of Captaincy Dec 14 2019 'The best book on captaincy, written by an expert' - Mike Atherton Mike Brearley is one of the most successful cricket captains of all time, and, in 1981, he captained the England team to the momentous Ashes series victory against Australia. In The Art of Captaincy, his study on leadership and motivation, he draws directly on his experience of man-managing a team, which included a pugnacious Ian Botham and Geoffrey Boycott, to explain what it takes to be a leader on and off the field. Giving an insight into both his tactical understanding of the game, as well as how to get a group of individuals playing as a team in order to get the best out of them, The Art of Captaincy is a classic handbook on how to generate, nurture and inspire success. With a foreword

by former England player and BBC commentator Ed Smith, to celebrate the thirtieth anniversary of its first publication, and an afterword by director Sam Mendes, *The Art of Captaincy* remains urgently relevant for cricket fans and business leaders alike. Covering the ability to use intuition, resourcefulness, clear-headedness and the importance of empathy as a means of achieving shared goals, Brearley's seminal account of captaincy is both the ultimate blueprint for creating a winning mind set, but also shows how the lessons in the sporting arena can be applied to any walk of personal and professional life.

Undoing Border Imperialism Sep 15 2022 — Harsha Walia has played a central role in building some of North America's most innovative, diverse, and effective new movements. That this brilliant organizer and theorist has found time to share her wisdom in this book is a tremendous gift to us all. — Naomi Klein, author of *The Shock Doctrine*

Undoing Border Imperialism combines academic discourse, lived experiences of displacement, and movement-based practices into an exciting new book. By reformulating immigrant rights movements within a transnational analysis of capitalism, labor exploitation, settler colonialism, state building, and racialized empire, it provides the alternative conceptual frameworks of border imperialism and decolonization. Drawing on the author's experiences in *No One Is Illegal*, this work offers relevant insights for all social movement organizers on effective strategies to overcome the barriers and borders within movements in order to cultivate fierce, loving, and sustainable communities of resistance striving toward liberation. The author grounds the book in collective vision, with short contributions from over twenty organizers and writers from across North America. Harsha Walia is a South Asian activist, writer, and popular educator rooted in emancipatory movements and communities for over a decade.

Praise for *Undoing Border Imperialism*:
— Border imperialism is an apt conceptualization for capturing the politics of massive displacement due to capitalist neoglobalization. Within the wealthy countries, Canada's *No One Is Illegal* is one of the most effective organizations of migrants and allies. Walia is an outstanding organizer who has done a lot of thinking and can write—not a common combination. Besides being brilliantly conceived and presented, this book is the first extended work on immigration that refuses to make First Nations sovereignty invisible. — Roxanne Dunbar Ortiz, author of *Indians of the Americas* and *Blood on the Border*

— Harsha Walia's *Undoing Border*

Imperialism demonstrates that geography has certainly not ended, and nor has the urge for people to stretch out our arms across borders to create our communities. One of the most rewarding things about this book is its capaciousness—astute insights that emerge out of careful organizing linked to the voices of a generation of strugglers, trying to find their own analysis to build their own movements to make this world our own. This is both a manual and a memoir, a guide to the world and a guide to the organizer's heart. —Vijay Prashad, author of *The Darker Nations: A People's History of the Third World* —This book belongs in every wannabe revolutionary's war backpack. I addictively jumped all over its contents: a radical mixtape of ancestral wisdoms to present-day grounded organizers theorizing about their own experiences. A must for me is Walia's decision to infuse this volume's fight against border imperialism, white supremacy, and empire with the vulnerability of her own personal narrative. This book is a breath of fresh air and offers an urgently needed movement-based praxis. *Undoing Border Imperialism* is too hot to be sitting on bookshelves; it will help make the revolution. —Ashanti Alston, Black Panther elder and former political prisoner

[The Jasmine Bloom](#) Nov 24 2020 Sameer Chadha is in a mid-life crisis — unhappy with everything around him, even his name. His corporate career is languishing and he is increasingly alienated from his family. His wife Kavita, a part-time poet and a full-time mother, lives more in the past than the present. When their lives collide with that of Ritu, a younger woman coping with an abusive husband and an autistic son, a chain of events gets triggered that puts all their lives into a tailspin. *The Jasmine Bloom* is a story of love, lust, ruin and resurrection. It is a commentary on the fragility of modern family life; of terrible secrets and shocking choices. However, at its core, it is the tale of a man learning to be happy in the here and now.

[Out of the Box](#) Feb 20 2023 Harsha Bhogle in his weekly column in the *Indian Express* has captured the entire gamut of Indian cricket. *Out of the Box* brings together the very best of Harsha's writings, in a book that will be a veritable delight for any cricket fan. Knowledgeable, frank and witty, and with a sense of drama comparable to that of cricket itself, Harsha brings the nation's cricketing ethos inimitably to life. And he is at his best when paying tribute to some cricketing greats: Lara, Inzamam, Jayasuriya, Ganguly, Sehwag, and the incomparable Tendulkar. As he follows India's fortunes on the cricket field at home and overseas, Harsha asks the question: can India

really be no.1 in all three forms of the game? The answer lies in our history, and in the pages of *Out of the Box*

Let's Play Jan 19 2023 Get ready for some fabulous fun with these action-packed stories from the sports field! Fancied Orchid School is already 33 for no loss in the three overs before lunch. Can Model School successfully unleash its secret weapon, Anshuman the chess nerd, and win the match? The two towns of Dilshan and Deewar have their prides at stake at the annual kabaddi competition, and when Lt. Aaron, owner of Tasty Buds and baker of delectable cakes, announces he will eat his hat if his town actually wins, it spurs the Dilshan-ites to greater heights. Neeru decides to start playing hockey like her mother to deal with her loss, and discovers there's no therapy like getting some dirt on her spotless whites. Hockey, TT, cricket, golf, basketball; winners, losers, underdogs, bullies, heroes and cheats, *Let's Play! The Puffin Book of Sports Stories* has them all, and more. Funny, uplifting and moving, this unique collection vividly portrays the heartbreaks and triumphs that are an essential part of playing sports, and is an absolute must-read.

The Winning Way Nov 17 2022 *The Winning Way: Learnings From Sport for Managers* is a guidebook that pinpoints factors that lead to success. Harsha and Anita Bhogle list out these factors that ensure proven and consistent results even when the level of competition surges. The book makes for an interesting read because these concepts are explained from a sports perspective. They explore and unpeel the mantra behind victorious teams and sporting legends. If you have ever been stumped by the stupendous success of great sportsmen who deliver every single time, *The Winning Way: Learning From Sport for Managers* spells out the formula. This book comes as a fresh take on leadership from a unique point of view. Harsha and Anita Bhogle take readers through many interesting points, thanks to their wide experience in management and their tryst with sports as well.

Azhar Mar 09 2022 The story behind the making of India's most successful cricket captain

Entangled Life Nov 12 2019 NEW YORK TIMES BESTSELLER "A "brilliant [and] entrancing" (The Guardian) journey into the hidden lives of fungi—the great connectors of the living world—and their astonishing and intimate roles in human life, with the power to heal our bodies, expand our minds, and help us address our most urgent environmental problems.

“Grand and dizzying in how thoroughly it recalibrates our understanding of the natural world.” Ed Yong, author of *I Contain Multitudes* ONE OF THE BEST BOOKS OF THE YEAR—Time, BBC Science Focus, The Daily Mail, Geographical, The Times, The Telegraph, New Statesman, London Evening Standard, Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake’s vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the “Wood Wide Web,” to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life’s processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. Winner of the Wainwright Prize, the Royal Society Science Book Prize, and the Guild of Food Writers Award — Shortlisted for the British Book Award — Longlisted for the Rathbones Folio Prize

[Conversations with Mani Ratnam](#) Aug 22 2020 Mani Ratnam’s *Nayakan* is among Time’s “100 Best Movies Ever”; and *Roja* launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (*Agni Natchatiram*) to the rents in the national fabric (*Bombay*); his directing of children (*Anjali*); his artful use of songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like

Balu Mahendra, P.C. Sreeram, Thotta Tharrani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilaiyaraaja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of Nayakan to what Raavan was like when originally conceived. In short, like Mani Ratnam's films, Conversations surprises, entertains and stimulates. With Rangan's personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.
